1. Getting Started & Login

Roles

Role	Access
Super Admin	Full platform management across all gyms
Admin	Full access to their gym's data
Staff	Check-in page only

Logging In

1. Go to the Kilos web app URL.
2. Enter your **email** and **password**.
3. You'll be redirected to the correct dashboard based on your role.

First-Time Setup (Admin)

After your gym is registered by the Super Admin:

1. Go to **Settings** → **Gym Information** and fill in your gym name, address, location, and contact number.
 2. Go to **Plans** and create at least one membership plan.
 3. Add your first member via **Members** → **Add Member**.
-

2. Dashboard

The Dashboard gives a quick snapshot of your gym's current state.

What You See

- **Active Members** — total members currently active
- **Revenue This Month** — sum of all payments recorded this month
- **Expiring Soon** — members whose membership expires within the next 7 days
- **Today's Attendance** — number of check-ins recorded today

Quick Actions

Four shortcut buttons are available at the top:

- **New Member** — opens the Add Member form
 - **Record Payment** — opens the Record Payment page
 - **Check-in** — opens the QR-scan check-in page
 - **Renewals** — opens the Renewals page, with a badge showing how many members expire within 7 days
-

3. Members

3.1 Member List

Access via **Members** in the sidebar.

Filter Tabs:

- **All** — every member
- **Active** — members with a valid, non-expired, non-frozen membership
- **Expiring** — members expiring within 7 days
- **Expired** — past-expiry members
- **Frozen** — members whose membership is paused

Search: Type a name or phone number in the search box.

Each row shows: Name, Phone, Plan, Expiry Date, Status badge, and an action to view the profile.
